

SISTERS

Systemic Innovations for a Sustainable reduction of the European food waste

SISTERS will implement **five innovative strategies**, one at each stage of the food value chain, to systemically address the challenges regarding **food loss and waste**, understanding their dynamics and maximizing the uptake of **long-term solutions**.

CURRENT ISSUES IN THE AGRI-FOOD VALUE CHAIN

SISTERS' SOLUTIONS

S SISTERS IN NUMBERS

SISTERS will be a key EU project addressing the problem in a holistic way, reducing Food Loss & Waste by 27.4% and CO2 emissions by around 20% in the case studies.
